

The Citizens Outreach Foundation is a non-profit organization dedicated to helping people in need, in Paterson, NJ. The organization works tirelessly to provide essential goods and services to those living on the streets and in crisis.

The mission of Citizens Outreach Foundation Inc. is to implement a comprehensive and strategic approach to getting people who are in a crisis and living on our streets back on the road to living a successful life. The organization identifies each individual's needs and obstacles so that a personalized plan of action can be agreed upon and implemented.

The vision for Citizens Outreach Foundation Inc. is to be a beacon of hope and transformation for individuals facing crisis situations. The organization is committed to empowering each person encountered with personalized support, tailored resources, and compassionate guidance. The aim is to foster a journey towards self-sufficiency, enabling a transition into a healthier, stable, and more fulfilling future. The founders envision a community where every individual in crisis receives the unique assistance they need to overcome their challenges and embark on the road to living an empowered life.
